Request to Return License to Active Status

This form must be used to return a license from inactive status to active status. See 22 TAC 882.21. This form may not be used to reinstate an expired, retired, resigned, or revoked license.

Please mail this form to the address above. Do not submit this form and supporting documentation by email.

Name: _____

Address: _____
If different, your address of record will be updated to reflect the address on this form.

Telephone No.: _____ Email: _____

Type of License: _____ License No.: _____

Requirements for Reactivation:

1. An inactive license may be reactivated at any time by submitting this form, together with proof of completion of the continuing education requirements for renewal of the license, and the renewal fee associated with the license. Renewal fees can be found in 22 TAC 885.1. Please make your check or money order payable to "TBHEC."
2. A license that is reactivated within 60 days prior to its the expiration date will be automatically renewed for the next renewal period.
3. Individuals wishing to reactivate a license that has been on inactive status for four years or more must take and pass the relevant jurisprudence examination, unless the individual holds another license on active status within the same profession.
