

Documentation Checklist for Social Work Licensure

Applications are reviewed within six weeks of receipt, and in the order in which they are received. In the event your application is found to be incomplete or agency staff have questions regarding your application, a staff member will contact you with his or her question or regarding any missing or incomplete items. **Do not contact agency staff within this six-week period unless you are responding to an inquiry from staff.** In the event you have not heard from the agency within six weeks of submitting your application, you may contact agency staff, preferably via email, to check on the status of your application. Telephone calls and emails requesting a status update within the initial six-week review period only serve to increase application processing times for all applicants.
